Thank you for allowing me to update you on this intellectual property. Needed is advice and experience to help organize and recognize FUTURE as a global intellectual property FUTURE COUNTRY. This IP is in need of being saved from oppositions and trademark cancellations.. This is a design that represents a global intellectual property FUTURE COUNTRY. The product is ideas of peoples and countries working together to share the brand FUTURE in realizing these ideas ideas into products and services that would benefit all countries.

This intellectual property is in need of being saved. Many global contacts with business and government leaders have been ongoing .., but it is difficult finding financial and business backing with oppositions.. from major corporations.. with vast resources.. Resources and business contacts ..that would secure this global goal.. would be appreciated. Can you help save this?
